

The Napa Cabernet Sauvignon in this blend brings the lush and powerful structure that marries perfectly with the softer and velvety attributes of the Sonoma County component. Classic Bordeaux-style aromas comingle with a ripe New World style to deliver rich, dark red fruits along with hints of tea leaf and truffle earthiness. Very opaque in color, while baking spices of dark cocoa and cinnamon jump out of the glass. This is a big wine with a goodly dose of tannin that makes this edition of the 50/50 built to last for a decade.
