

Alma Tudal's (2nd generation patron of this family business) favorite car, the Tudal Family 1964 Chevy SS Red Convertible still in working order around the winery, is the inspiration behind this proprietary red blend. The limited production hand-crafted wine has lovely perfumed aromas augmented with baking spices – cinnamon and cocoa. There are blackcherry flavors on a silky soft body. The wine is balanced, delicious, and will continue to age well for up to 5 years.

Production:	500 Cases	pH:	3.61
