

2011

This historic and Proprietary Red Blend has been consistently produced since '97. Our '47 Massey Harris red tractor captured on our famous label still stands proudly at the winery outside the "real" Tractor Shed. Tudal Family expertise over four generations of growing and winemaking provides the expertise to craft this proprietary red blend, inclusive of Zinfandel, Syrah, and Cabernet Franc. This is a wine of impressive substance delivering a basket of aromas and flavors with cherries, plums, strawberries, and dark red fruits. The outcome is a luscious wine, bright and fresh on the palate, with a rich and rewarding finish. TSR is always a crowd-pleaser!
